OUTDOOR VISIONARIES

Specializing in outdoor furniture has allowed us to become experts in the forms and materials that excel in the elements. This technical knowledge ensures durability, versatility, and functionality that can withstand various outdoor elements. Our honed skillset is entirely separate from that required for indoor furniture — and it leads to a more functional and longer lasting outdoor experience.

BEAUTY IN ALL FORMS

We take pride in the range of our collections — from classic to contemporary styles. Through the years, we have stayed true to our roots, while bringing fresh insights to woven aesthetics and extruded aluminum forms. We approach every design by intertwining sophistication, simplicity, and comfort, elevating users' experiences with the outdoors. Ultimately, this beauty is always paired with uncompromising functionality.

BESPOKE BEYOND COMPARE

New Collection

Rooted in the serene strength of Norway's coastal landscapes, the Bergen collection blends natural elegance with modern durability. Inspired by its namesake city—where fjords meet refined architecture—Bergen reflects a quiet sophistication shaped by nature and design. Hand-brushed aluminum in an Opal Grey finish pairs with Pewter resin for a soft, grounded aesthetic. Slanted backs, inward-dropping seat panels, and reticulated foam padding offer lasting comfort without the need for cushions. With a mirrored frame design, special-shaped sled legs, and contract-grade durability, Bergen brings a sense of calm refinement to any outdoor setting.
